

# Shadows

## Shoot prerequisites

### Equipment

- Canon EOS 800D DSLR (FHD at 25 or 50fps, for shooting at 1/50 or 1/100 at ISO  $\leq$  800)
- 35mm lens (f/2)
- 18-55mm lens (f/1.8) OR 50mm lens (f/1.8)
- 3 800D batteries (+ charger for original + charger for third party batteries)
- Rhode mic
- 2 LEDs
- 2 LED batteries + charger
- Yellow, blue, and red gels
- H2N sound recorder
- Dead cat windshield
- Monopod
- Silver reflector (unessential)

### Clothing

Protagonist (female)	Antagonist (male)
<ul style="list-style-type: none"><li>• Bright red shimmery party dress This allows the audience to follow and differentiate the protagonist from the antagonist. Additionally, this reinforces the idea that the girl is going to a party, as this is appropriate wear for such an occasion.</li><li>• Black party shoes (no heel, for running)</li><li>• Some makeup, a little lipstick</li></ul>	<ul style="list-style-type: none"><li>• Black hoodie This must blend into the background so only the mask seems to glide out when MASK steps forward.</li><li>• Black pants</li><li>• Black shoes (can be school shoes)</li><li>• Black socks</li></ul>

### Props

- *V for Vendetta* mask
- Rubik's cube
- Small purse
- Small mirror
- Lipstick
- Phone with no/inconspicuous case
