

Editing notes

- Sound effects (record all breathing while playing video)
 - Jacket zipping
 - Breath out slowly (variations)
 - Breathing in – inhuman gasps
 - “Who’s there?”
 - Add ‘FINAL Voice accompany’ with VOICE sounds
 - Alarm bell while running? Running sound effects needed.
 - Audio panning
 - Cinematic aspect ratio
 - Additional colour correction – saturation?
 - Additional cutaway glitch cuts (3 cut beats) while MASK is walking – makes it look more deliberate
-

Sound Studio – record:

- “Hello”
- “You will *never* run from me”
- “You cannot run from me”
- “You cannot run”
- “and you will never escape my *wrath!*”
- “(and) you cannot *hide* from me”
- “you cannot hide from me”
- “I have *solved* it!”
