ARMAAN DAYAL

By 9:30 my  is on.  
The first applications I have a look at are:

## MAIL

For any new emails that may have popped up overnight, this is essential.

## WHATSAPP

Because that is the main purpose of a phone, isn't it?

## REMINDERS

To ensure that I do not have any pending tasks that need to be completed.

## ADVERTISING

Throughout the day, leaving the house exposes me to advertisements and other media constantly. This exposure comes from online and television advertisements, billboards, posters, and signs, and other forms of indirect advertising as well.
